

# Scientific Names of Allergens

| Allergen Category | Code | Common Name                | Latin Nomenclature / Source     | Comments |
|-------------------|------|----------------------------|---------------------------------|----------|
| <b>Animal</b>     |      |                            |                                 |          |
|                   | E1   | Cat Dander Epithelium      | <i>Felis domesticus</i>         |          |
|                   | E2   | Dog Epithelium             | <i>Canis familiaris</i>         |          |
|                   | E3   | Horse Dander               | <i>Equus caballus</i>           |          |
|                   | E4   | Cow Dander                 | <i>Bos taurus</i>               |          |
|                   | E5   | Dog Dander                 | <i>Canis familiaris</i>         |          |
|                   | E6   | Guinea Pig Epithelium      | <i>Cavia porcellus</i>          |          |
|                   | E7   | Pigeon Droppings           | <i>Columba palumbus</i>         |          |
|                   | E70  | Goose Feathers             | <i>Anser anser</i>              |          |
|                   | E71  | Mouse Epithelium           | <i>Mus musculus</i>             |          |
|                   | E72  | Mouse Urine                | <i>Mus musculus</i>             |          |
|                   | E73  | Rat Epithelium             | <i>Rattus rattus</i>            |          |
|                   | E74  | Rat Urine Proteins         | <i>Rattus rattus</i>            |          |
|                   | E75  | Rat Serum Proteins         | <i>Rattus rattus</i>            |          |
|                   | E76  | Mouse Serum Proteins       | <i>Mus musculus</i>             |          |
|                   | E78  | Budgerigar Feathers        | <i>Melopsittacus undulatus</i>  |          |
|                   | E80  | Goat Epithelium            | <i>Capra hircus</i>             |          |
|                   | E81  | Sheep Epithelium           | <i>Ovis aries</i>               |          |
|                   | E82  | Rabbit Epithelium          | <i>Oryctolagus</i> spp.         |          |
|                   | E83  | Swine Epithelium           | <i>Sus scrofa</i>               |          |
|                   | E84  | Hamster Epithelium         | <i>Cricetus cricetus</i>        |          |
|                   | E85  | Chicken Feathers           | <i>Gallus gallus domesticus</i> |          |
|                   | E86  | Duck Feathers              | <i>Anas platyrhynchos</i>       |          |
|                   | E87  | Rat                        | <i>Rattus rattus</i>            |          |
|                   | E88  | Mouse                      | <i>Mus musculus</i>             |          |
|                   | E89  | Turkey Feathers            | <i>Meleagris gallopavo</i>      |          |
|                   | E91  | Parrot Feathers            | <i>Psittacidae</i> spp.         |          |
|                   | E201 | Canary Feathers            | <i>Serinus canarius</i>         |          |
|                   | E219 | Chicken Serum Proteins     | <i>Gallus gallus domesticus</i> |          |
| <b>Drugs</b>      |      |                            |                                 |          |
|                   | C1   | Penicilloyl G              | NA                              |          |
